of any part of a Lot, or any Improvements located thereon which are or may become Visible From Neighboring Property, from their appearance on the date this Declaration is Recorded shall be made or done without the prior written approval of the Architectural Committee. Accordingly, approval of the Architectural Committee is not required for the construction, installation, addition, alteration or repair of any Improvement situated in the back yard of a Lot unless such Improvement is or would be Visible From Neighboring Property. Any Owner desiring approval of the Architectural Committee for the construction, installation addition, alteration, repair, change or replacement of a swimming pool or any Improvement which is, will become, or would be Visible From Neighboring Property shall submit to the Architectural Committee a written request for approval specifying in detail the nature and extent of the addition, alteration, repair, change or other work which the Owner desires to perform, including, without limitation, the distance of such work from neighboring properties, if applicable. Any Owner requesting the approval of the Architectural Committee shall also submit to the Architectural Committee any additional information, plans and specifications which the Architectural Committee may request. In the event that the Architectural Committee fails to approve or disapprove an application for approval within thirty (30) days after the application, together with any fee payable pursuant to Section 3.1.6 of this Declaration and all supporting information, plans and specifications requested by the Architectural Committee, have been submitted to the Architectural Committee, approval will not be required and this Section will be deemed to have been complied with by the Owner who had requested approval of such plans. The approval by the Architectural Committee of any construction, installation, addition, alteration, repair, change or other work pursuant to this Section shall not be deemed a waiver of the Architectural Committee's right to withhold approval of any similar construction, installation, addition, alteration, repair, change or other work subsequently submitted for approval.

3.1.3 In reviewing plans and specifications for any construction, installation, addition, alteration, repair, change or other work which must be approved by the Architectural Committee, the Architectural Committee, among other things, may consider the quality of workmanship and design, harmony of external design with existing structures and location in relation to surrounding structures, topography and finish grade elevation. The Architectural Committee may disapprove plans and specifications for any construction, installation, addition, alteration, repair, change or other work which must be approved by the Architectural Committee pursuant to this Section 3.1 if the Architectural Committee determines, in its sole and absolute discretion, that: (i) the proposed construction, installation, addition, alteration, repair, change or other work would violate any provision of this Declaration; (ii) the proposed construction, installation, addition, alteration, repair, change or other work does not comply with any Design Guideline; (iii) the proposed construction, installation, addition, alteration, repair, change or other work is not in harmony with existing Improvements in the Project or with Improvements previously approved by the Architectural Committee but not yet constructed; (iv) the proposed construction, installation, addition, alteration, repair, change or other work is not aesthetically acceptable; (v) the proposed construction, installation, addition, alteration, repair, change or other work would be

Sec. 3.4 (p. 28): Blanket ban, sub-1-meter size cap, or prior approval requirement on satellite dishes or antennas is preempted by federal FCC OTARD regulations.

Statutory / Legal Reference: 47 C.F.R. § 1.4000 (FCC OTARD Rule)

Statutory Comparison: The FCC Over-the-Air Reception Devices rule (47 C.F.R. § 1.4000, as expanded by the 2021 OTARD Report and Order, FCC 21-10) preempts community association restrictions that prohibit, charge application fees for, require prior architectural approval for, or impose sub-1-meter (39.37-inch) diameter caps on the installation, maintenance, or use of television broadcast antennas, direct-broadcast satellite dishes 1 meter or less in diameter, and fixed wireless broadband antennas (including hub and relay antennas) situated on property within the exclusive use or control of the owner/tenant.

CURRENT WORDING IN DOCUMENT:

Antennas. Except as permitted by law or under the Design Guidelines, no antenna, aerialEatellite television dish or other device for the transmission or reception of television or radio signals or any other form of electromagnetic radiation proposed to be erected, used or maintained outdoors on any portion of the Project, whether attached to a Residential Unit or structure or otherwise, shall be erected or installed without the prior written consent of the Architectural Committee. -

SAMPLE DISCUSSION WORDING (FOR HOA ATTORNEY REVIEW):

Provided that this restriction shall not prohibit or require prior approval for any owner or occupant installing an antenna, fixed wireless broadband hub/relay device, or satellite dish of one meter (39.37 inches) or less in diameter within areas under the owner's or occupant's exclusive use or control, in accordance with FCC OTARD regulations (47 C.F.R. § 1.4000).
