BOARD & COUNSEL REVIEW

Sec. Article VII, Section 7.2 (p. 1): Meeting rule unlawfully prohibits owners from audio or video recording association meetings.

Statutory / Legal Reference: Fla. Stat. § 718.112(2)(c) (HB 1021) & F.A.C. Rule 61B-23.002(9)-(10)

Statutory Comparison: Under Fla. Stat. § 718.112(2)(c) (as amended by HB 1021, effective July 1, 2024) and F.A.C. Rule 61B-23.002, every unit owner has the statutory right to attend and speak on all designated agenda items, to tape-record or videotape open meetings, and (for condominiums with >10 units) to ask questions of the Board at least four times per year regarding construction/repair projects, revenues/expenditures, and condominium operations. Conditioning the statutory right to speak or record on filing a written request 48 hours before the meeting commences - when board notices and agendas themselves may be posted only 48 hours prior - creates an unenforceable procedural barrier.
