

Section 7. Temporary Buildings. No temporary building, trailer, garage or building under construction shall be used, temporarily or permanently, as a residence on any Lot except as temporary sleeping or living quarters required or desired for security purposes in accordance with plans and specifications therefor approved by the Architectural Control Committee. No contract or builder shall erect on any Lot any temporary building or shed for use in connection with construction on such Lot without the prior written consent of the Architectural Control Committee.

- Section 8. Signs.
 

(a) No signs whatsoever (including but not limited to commercial and similar signs) shall, without the Architectural Control Committee's prior written approval of plans and specifications therefor, be installed, altered or maintained on any Lot, or on any portion of a Structure visible from the exterior thereof, except:
 

(i) such signs as may be required by legal proceedings;
 (ii) a sign indicating the builder of the residence on the Lot;
 (iii) not more than one "For Sale" or "For Rent" sign; provided, however, that in no event shall any such sign be larger than four square feet in area; and
 (iv) directional signs for vehicular or pedestrian safety in accordance with plans and specifications approved by the Architectural Control Committee.

 (b) Following the consummation of the sale of any Lot, the "For Sale" sign and the builder's sign located thereon, if any, shall be removed immediately.

Section 9. Setbacks. In approving plans and specifications for any proposed Structure, the Architectural Control Committee may establish setback requirements for the location of such Structures which are more restrictive than those established by the Plat. No Structure shall be erected or placed on any Lot unless its location is consistent with such setbacks.

Section 10. Fences. No fence or wall of any kind shall be erected, maintained, or altered on any Lot without the prior written approval of the Architectural Control Committee of plans and specifications for such fences and walls.

Section 11. Roads and Driveways. No road or driveway shall be constructed or altered on any Lot without the prior written approval of the Architectural Control Committee of plans and specifications for such roads and driveways. Such specifications shall include the proposed substance to be used in constructing such roads and driveways, which substance shall be satisfactory to the Architectural Control Committee.

Section 12. Antennae. No antenna, satellite dish or other device for the transmission or reception of television signals, radio signals or any form of electromagnetic wave or radiation shall be erected, used or maintained on the exterior of any Structure without the prior written approval of the Architectural Control Committee. In no event shall freestanding transmission or receiving towers be permitted.

Section 13. Clotheslines. No outside clotheslines shall be placed on any Lot.

Section 14. Recreational Vehicles and Trailers. The Architectural Control Committee, in reviewing the plans and specifications for any proposed Structure, may require that special parking areas be made available for recreational vehicles. No trailer, trailer house, boat, or recreational vehicle shall be parked on any Lot, except on such parking areas as specified by the Architectural Control Committee pursuant to this Section 14 or within enclosures or behind screening erected in accordance with plans and specifications submitted to and approved by the Architectural Control Committee. While nothing contained herein shall prohibit the use of portable or temporary buildings for trailers as field offices by contractors during actual construction, the use, appearance and maintenance on such a building or trailer must be specifically approved by the Architectural Control Committee prior to its being moved onto the construction site.

Section 15. Recreational Equipment. No recreational and playground equipment shall be placed or installed on any Lot which is visible from the street abutting such Lot.

Section 16. Accessory Structures. A detached accessory structure may be placed on a Lot to be used for a playhouse, a swimming pool, tennis court, a tool shed, a mailbox, a dog house or a garage, a garage may also be an attached accessory structure. Such accessory structures shall not exceed 20 feet in height and shall conform in exterior design and quality to the dwelling on the same Lot. With the exception of a garage that is attached

BOARD & COUNSEL REVIEW

Sec. 12. (p. 10): Blanket ban, sub-1-meter size cap, or prior approval requirement on satellite dishes or antennas is preempted by federal FCC OTARD regulations.

Statutory / Legal Reference: 47 C.F.R. § 1.4000 (FCC OTARD Rule)

Statutory Comparison: The FCC Over-the-Air Reception Devices rule (47 C.F.R. § 1.4000, as expanded by the 2021 OTARD Report and Order, FCC 21-10) preempts community association restrictions that prohibit, charge application fees for, require prior architectural approval for, or impose sub-1-meter (39.37-inch) diameter caps on the installation, maintenance, or use of television broadcast antennas, direct-broadcast satellite dishes 1 meter or less in diameter, and fixed wireless broadband antennas (including hub and relay antennas) situated on property within the exclusive use or control of the owner/tenant.

CURRENT WORDING IN DOCUMENT:

Antennae. No antenna, satellite dish or other device for the transmission or reception of television signals, radio signals or any form of electromagnetic wave or radiation shall be erected, used or maintained on the exterior of any Structure without the prior written approval of the Architectural Control Committee. In no event shall freestanding transmission or receiving towers be permitted,

SAMPLE DISCUSSION WORDING (FOR HOA ATTORNEY REVIEW):

Provided that this restriction shall not prohibit or require prior approval for any owner or occupant installing an antenna, fixed wireless broadband hub/relay device, or satellite dish of one meter (39.37 inches) or less in diameter within areas under the owner's or occupant's exclusive use or control, in accordance with FCC OTARD regulations (47 C.F.R. § 1.4000).
